**Subject:** Wilcox Oil AOC Revision & Draft Cover Letter to the PRPs

Lance:

Based upon your discussion with me yesterday  
I have removed Paragraph 91(b).

I am sending you the revised AOC via my  
personal email account because I am  
having problems with accessing the  
EPA Remote Web-site.

If you need to speak please call me  
at home at (b) (6).

Please acknowledge receipt of this  
email message.

Thanks,

Marvin
